

## Elite Casino Resorts is Proud to Make Another Award to The Swarm

### \$10,000 Raised for University of Iowa Athletes

Riverside, IA –Elite Casino Resorts is proud to announce another award to The Swarm. Guests donated their unused slot credit tickets last year in SWARM drop boxes located by the ticket redemption machines and exits at their Riverside Casino & Golf Resort and Rhythm City Casino Resort properties. Elite Casino Resorts was pleased to reach its joint goal of raising \$10,000 for The Swarm

“We appreciate our partnership with The Swarm including hosting student athletes for charitable events here at Riverside. They provide so much support for the student athletes, it’s a great cause for our community” said Dan Kehl, Chief Executive Officer of Elite Casino Resorts. “We also appreciate our guests who drop their tickets in our SWARM collection boxes. Obviously, the tickets add up to become a meaningful contribution to a great cause.”

[The Swarm Collective](#) is a nonprofit charitable foundation created to support University of Iowa athletes. The SWARM helps create and facilitate partnerships for Iowa student athletes with local charities and non-profits, business owners, and the surrounding Iowa City communities. The Swarm initiatives play an integral part in providing opportunities for student athletes to serve and engage with charitable partners.

“Our 2023 SWARM partnership brought a new level of support and excitement for our charitable events. SWARM athletes participated in our Big Brothers Big Sisters Bowl for Kids’ Sake, GIVE Foundation Annual Golf Outing, we SWARMED the community in October, and most recently, a Toys for Tots drive. Part of our success comes from giving back to the communities we serve and we are proud to continue support the student athletes and local charities,” added Dan Kehl.

Brad Heinrichs, CEO of the Swarm added, "The partnership with Elite Casino Resorts has been a great fit for us at SWARM and we are thankful for their continued support of our mission. We look forward to continuing our partnership and expanding our charitable efforts with Elite Casino Resorts."

Guests of Riverside Casino & Golf Resort and Rhythm City Casino Resort can continue to support Iowa Athletes through The Swarm by donating unused slot tickets in the SWARM drop boxes again this year. Also, visit The Swarm Collective to find other ways to support.
